

Study with Uniting College

- Ever wondered how to read and understand the bible?
- Some passages are ancient, some are strange and all come from a culture beyond our own. Gain insight into historical and contemporary ways to interpret the bible.
- Ever wondered about the incredible mission of God and your role in it?
- Embark on a journey with us to uncover and develop your calling.

We invite you to take a step into thinking deeply about life and faith.

Looking to enrich your ministry? Refill, refuel, upskill, reconnect

How will you use your study leave in 2024?

We invite you to take courses for credit or audit to explore cutting edge theology and tools for ministry practice. Expand your faith and mind, connect with colleagues in ministry.

Uniting College offers higher level degrees including **Masters and PhD**. Explore the new **Doctorate of Professional Practice** for experienced ministers, leaders, and practitioners across faith-based agencies, churches and other organisations. Flourish in the fields of aged care, counselling, health, leadership, professional supervision and spiritual care. Combine new ideas, reflection on practice, consideration of contemporary issues to be enlivened and equipped for the future.
